The fusion of sight and sound.

Horizon™ Series *As featured on HGTV's "I Want That: Tech Toys"*

Available with 3", 4", 5" & 6" drivers in LCR, LR & Center-only configurations.

Horizon 313-LCR shown with timbre matched on-wall Leon Surrounds.

In the custom installation industry, **one size does not fit all.**

For over 10 years, Leon Speakers has specialized in building the finest high-fidelity on-wall speakers for flat-panel displays. Simply tell us the make and model of your Plasma or LCD and we'll custom build your speakers in just 3-5 business days.

The perfect picture deserves the perfect sound.®

Call 1-888-213-5015 or visit us at www.leonspeakers.com to become an Authorized Dealer.

"Leon Speakers' cutting-edge approach to speaker building has created the flexible environment that audiophiles crave."
