

TONECASE® *for* SONOS®

CUSTOMIZE & CONCEAL SONOS SPEAKERS

DESIGN SOLUTIONS *for* YOUR SONOS SYSTEM

Our vision has always been to mix art with audio and design with technology—and now, we're bringing that vision to the entire range of Sonos speakers. Our Tonecase collection provides an unparalleled level of design customization to make your Sonos speakers look as good as they sound.

Whether adding a custom grill to the PLAYBAR™ to match the exact width of your TV, or enhancing the ONE™, PLAY:1™, or PLAY:5™ with solid hardwood cabinets, Tonecase allows you to seamlessly integrate Sonos into the home.

“MUSIC AND LIFE ARE
ALL ABOUT *STYLE*.”

— MILES DAVIS

MOUNTING BRACKETS *for* SONOS

FOR PLAYBAR, ONE & PLAY:1

AVAILABLE MODELS

Shown without custom-width grill

TONECASE TcFIT

FOR SONOS PLAYBAR

The TcFIT Mounting System conceals the SONOS PLAYBAR, mounting it directly to the TV with a custom grill to match the exact width of the display.

TONECASE TcFIT-OS

FOR SONOS PLAYBAR

Have a larger screen? The TcFIT-OS is designed to conceal the SONOS PLAYBAR for TV displays over 65". Includes a custom grill to match the exact width of the display.

Shown without custom-width grill

TcFLEX-SOLO

FOR SONOS ONE & PLAY:1

The TcFLEX-SOLO mounts the SONOS ONE or PLAY:1 directly to the wall with multiple points of articulation while concealing the outlet and power cord.

HARDWOOD CASES *for* SONOS

FOR SONOS ONE, PLAY:1 & PLAY:5

AVAILABLE MODELS

TONECASE TcONE

FOR SONOS ONE

Our TcONE hardwood case brings a handcrafted aesthetic to the SONOS ONE speaker. Made from solid hardwood, the TcONE can stand alone as a bookshelf speaker or mount to the wall with one of our exclusive Sonos mounting brackets.

Standard Finishes: Light Oak, Walnut, Grain White, Grain Black

TONECASE Tc1S

FOR SONOS PLAY:1

With its compact size and classic style, the Tonecase Tc1S perfectly complements the SONOS PLAY:1. And with our exclusive mounting brackets, it can be easily mounted to the wall to create a wireless surround sound system.

Standard Finishes: Light Oak, Walnut, Grain White, Grain Black

TONECASE Tc5S

FOR SONOS PLAY:5

The Tc5S is designed to house the SONOS PLAY:5, concealing the speaker and wires while leaving access to the touch controls. Handcrafted from solid hardwood, the Tc5S provides the perfect blend of performance and style.

Standard Finishes: Light Oak, Walnut, Grain White, Grain Black

MAKE SONOS YOURS WITH TONECASE

Tonecase integrates Sonos into any space, allowing the speakers to work harmoniously with your décor. From custom grills built to conceal the PLAYBAR to hand-finished hardwood cases, we've brought Leon's signature style and unrivaled craftsmanship to Sonos' wireless audio platform.

BENCHMARKED IN USA

Our craftsmen build each Tonecase product by hand using only the finest materials available, including solid hardwoods, cold-rolled steel, acoustic dampening materials, and premium grill cloth.

CUSTOM GRILLS

Our grills are hand-stretched using premium, acoustically-transparent fabric to let the sound stand out while the speakers blend in.

EXPERTLY FINISHED

In addition to our standard finishes, our finishing department can perfectly match any color code, wood stain, or paint sample to complement your décor.

UPGRADE YOUR AUDIO

In addition to our line of Tonecase products for Sonos, Leon offers a full palette of high-fidelity custom speakers and technology concealment solutions.
